## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Rec. AUG 20 1907  
No. 27209

Ft. Defiance Ariz. 8/16/1907.

Guion Miller

Special Commissioner

Sir:-

Received the receipt of  
my application for participation  
in the fund arising from  
the judgement of the Court of  
Claims in favor of the Eastern  
Cherokees. Application No 27209.

I hereby have the honor to ask  
some information regarding  
same.

First when shall the fund be  
distributed.

Second; Where shall it be paid?

Third; How shall it be paid,  
and do I have to be present at  
the paying station?

If you will kindly answer  
these questions

I will be very much obliged to  
you for the favor.

Yours Respectfully,  
Gertrude Coleman.

App. #27209.

August 22, 1907.

Gertrude Coleman,  
Fort Defiance,  
Arizona.

Madam:-

Replying to your letter of August 15, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Madam:-

With reference to your application #27231 on file in this office for yourself as widow of Columbus Hamilton, and for minor children, to participate in the Eastern Cherokee Fund, I beg to state that none of the parties mentioned therein appear on either the roll of 1835 or that of 1851. Kindly give the reason for their failure to be enrolled. However, it would appear that you have perhaps set out your own ancestors in this application instead of those of your husband, as we note that you give his parents and grandparents' names as Nichols.

Do you claim any Cherokee blood yourself or are you merely claiming your right through your husband? If you are claiming for yourself, kindly give us the names of all of your ancestors as far back as possible through whom you claim Cherokee descent, also all of those of your husband, giving each source separately.

Were you or your husband or any of yours or his ancestors ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Did any of the parties through whom you claim Indian blood, either for yourself or children, ever reside with any Indian tribe?

~~Georgia~~, Tenn.,  
5, 3, 1908,

Sir:-

In response to your inquiry of  
Apr. 25, I beg to reply as follows.

My parents came to Powell's Valley,  
this County, about 1830. I do not know  
and can not answer why their names do  
not appear on the rolls of 1835 and 1851.

None of us were ever held as slaves.

I claim Cherokee descent through Father  
who was one-half Cherokee, and through  
mother who was full Cherokee. If my  
father or mother ever resided with any tribe  
I do not know except that Cherokee-Indians  
always visited us <sup>about</sup> 50 or 60 yrs ago.

Very Respectfully, Joshua Collins.

VERY RESPECTFULLY,

Yours obedient servant,

Wm. Lloyd Garrison.

IN THE YEAR 1832. IT IS STATED THAT THE CHEROKEE INDIANS  
WENT TO THE COURT OF THE UNITED STATES AT WASHINGTON  
AND CLAIMED THAT THEY WERE OWNED BY WHITE PEOPLE OF THE  
STATE OF GEORGIA.

THEY ASKED THE COURT TO ORDER THE WHITE PEOPLE TO  
RELEASE THEM AND TO PAY THEM THE VALUE OF THEM AS  
PROPERTY.

THE COURT DECIDED IN FAVOR OF THE CHEROKEE INDIANS.

IN 1832 AND 1833, THE CHEROKEE INDIANS OF THE STATE OF

GEORGIA WENT TO THE COURT OF THE UNITED STATES AT

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents and other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Were you or either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Do you claim any Cherokee descent through your mother? Did you, your father or any of your ancestors ever reside with any Indian tribe? If so, state when and where and give the name of such tribe.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

That I am 70 years of age and live in Campbell Co., Tenn. I claim my Indian descent through both parents. My father was a full blood Cherokee and so was my mother. I claim to be full blooded. If there was any colored blood I never knew it. I never was held in slavery. Neither were my parents or any of my ancestors. I don't know whether I was ever on any roll or not. Don't know whether my parents were or not. Never heard them say. My father never had any other name than that of Collins. My father and mother were born in Sullivan Co., N. C. Don't know when they were born. They left there when my father was about 30 years old. I was not born at that time. I was born in Cleburn Co., Tenn. My sister Mary Collins was born in Sullivan Co., N. C. Also my sister now dead. I never lived with the Indians as a member of the tribe. My parents did towards Cleburn Co. in Tenn. They left there about twenty or thirty years before the war. They came down to Campbell Co., Tenn. then. He never lived with the Indians after he left Cleburn Co. I am recognized as an Indian. This is the only application I ever made. Neither of my parents ever received any money from the government. Don't know why they were never enrolled. The reason my father left N. C. was because he didn't want to be taken off west. My father's mother was Mary Ann Collins. My mother's father was Maynard Woods. Her mother's name was Susan Woods. Don't know my father's father's name. They were all supposed to be full blooded Indians. All of my grandparents lived in Sullivan Co., N. C. None of them were on any roll that I know of. My father was the only child. Mary, Martha and Tilda were my mother's sisters. Benjamin and Lewis were the brothers. They all died before the war except Benjamin.
